TECHNICAL INFORMATION

Double-function transforming system with tilting double bed and sofa with storage compartment and bookshelf.

The sofa is available with or without armrests and features a full-size seat pad, two backrest cushions and two optional lateral loose cushions.

When the bed is open, the backrests are placed in the compartment underneath the seat pad.

Fully removable covers.

Seat pad filled with expanded polyurethane, while the backrest cushions are padded with piumafill and upholstered in pure cotton.

The ready-to-use double bed features the innovative CF97 slatted bed base. The structure is made from aluminium extrusions, with the bed fitted with an integrated adjustment system.

The bed is opened and closed by a handle - which is either fixed or extendible - positioned in the front shelf. When opened, this front shelf pivots to become a support for the bed; the opening system means that objects on the shelf do not have to be removed.

Nuovoliolà 10 can be fully integrated into all Living & Young System programs.

Nuovoliolà is self-supporting.
