

MIGUEL 60

MIGUEL 84

**TECHNICAL INFORMATION**

Chaise longue in width 60 and 84 cm with fold-down backrest, foam padding and removable fabric cover.

The backrest can be folded down to align with the seat and the chaise longue can be stowed under the bed in the Kali and Altea transformable systems, only in the Standard versions and Penelope Standard and Board versions.

Made of polyurethane padding, density 30 mq, with fully removable covering, stitching with piping in contrast or with simple rid.

The piping in contrast is made of gros grain material.

Dry washing only.
